

## Verona - Havana Oak

### Product Description

Achieve the charm of classic solid wood but without the expensive price tag with our beautiful Verona laminate range. The 193mm planks are both tough and durable and measure 8mm in thickness meaning they can handle the demands of a busy, fast-paced family home. Manufactured in Europe with an impressive AC4 durability rating that is also conveniently easy to clean and maintain. Verona is a great choice for any room in the home, or for areas with low or heavier foot traffic in equal measure which is backed by the 25-year domestic warranty. Suitable for use over underfloor heating the Verona range has a thermal conductivity rating of 0,068 K/W so it can help warm up rooms around the home in an energy-sufficient way.
