

## Murcia - Lakeland Stone

### Product Description

Transform your outdoor space with our exceptional Murcia Porcelain Tiles. Engineered with durability in mind, these tiles are resistant to the elements, making them the perfect choice for patios and gardens. The 2cm thickness ensures outstanding strength, ensuring your tiles withstand the test of time. The sophisticated matt finish provides a timeless and understated look, whilst also providing a slip resistant surface. Designed to be waterproof, these tiles are impervious to moisture, preventing damage from rain, snow, or spills. Experience the perfect blend of style and function with our Murcia Porcelain Tiles.

While our Murcia range of Porcelain Tiles are perfect for use outdoors, they can also be use inside the home. Their waterproof surface make them the ideal choice for bathrooms and wet rooms.
