

ASENSO™

DESIGN FLOORING

Signature Herringbone

Natural Honey Oak

Infuse your home with luxurious style with our Asenso Signature Herringbone range. Expertly manufactured with our innovative Pro Guard protective coating, this floor benefits from being waterproof, hardwearing and functional for use around the home. Boasting realistic knot and grain detailing, you can enjoy the elegant beauty of solid wood but without the hassle! What's even better, the Signature range can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities. Upgrade your space with the luxurious look and functionality of Asenso Signature Herringbone.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
