## DESIGN FLOORING

### Serenity – Rectangle Tile

#### Caribbean Sand

Introduce elegant style to your home with our beautiful range of Asenso Serenity Tiles. Achieve the look of real stone and marble tiles but without the expensive price tag! Expertly manufactured with our innovative Pro Guard protective coating, our Serenity range is equipped to deal with the comings and goings of a busy family home. Benefiting from being 100% waterproof, hardwearing and functional for use around the home. What's even better, the Serenity range can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
