## DESIGN FLOORING

### Symphony Hex Tile

#### Italian Marble

Introduce contemporary charm to your home with our range of Asenso Symphony Hex Tiles. These unique hexagon-shaped tiles offer a stylish twist on classic flooring. Each tile features our innovative Pro Guard coating, making them 100% waterproof and ultra-durable against everyday wear and tear. Plus, the Symphony Hex Tiles can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
